

Cheshire County Trials and Training

Following the changes in 2017 to the EN Talented Athlete Pathway, Cheshire County Netball are pleased to announce they are to continue with County Training for the next season with some minor changes to age groups.

Cheshire will continue to follow the EN academy training programme , offering athletes match play (which could include Cheshire Elite league), S&C, tour, classroom training, nutrition advice, team building, personal development, leadership, life skills.

Aiming to improve the athlete as a person as well as improving the athletes' chances of being successful in the NSL Club trials (see EN article Budding Roses reroute into Superleague and Performance League Teams).

Age Groups and Numbers

U12's (30); U13's (20-24); U15's (20-24); U17's (max 24)

Unfortunately after many years, we can no longer run an U19 squad. The new U17 squad will now take part in the county elite league.

Pre trials and Trials

June 2017 there will be pre-trials for U13, U15 & U17

Sept 2017 there will be final trials

U12 trials will also be in Sept 2017.

Summer training

No summer training other than one 're-evaluate' session for selected athletes who didn't make it in June.
